## Base Camp Manager Duties

### What do I need to do in Base Camp to support my club members?

In each club, the vice president education (VPE) will serve as the Base Camp manager, with support from the club president and secretary. The VPE is responsible for conducting several tasks in Base Camp to ensure members are fully supported on their Pathways journey. This document will walk you through each of the main tasks. Each task has a tutorial in Base Camp which will walk you through the specific steps. They can be accessed by navigating to Tutorials and Resources.

### Level Completion

As VPE you will receive emails from Base Camp notifying you that there are Level Completion Requests, requiring your attention. It is important for VPEs to respond as quickly as possible to ensure members can move forward on their Path. As each member completes a level, they are awarded a certificate. They can print the certificate themselves but, many clubs choose to award Level Completion Certificates at club meetings to honor the effort of their members.

Includes [Responding to Level Completion Requests \(Paths on Base Camp\)](#) and [Printing Certificates \(Paths on Base Camp\)](#).

### Path Completion in Printed Materials

Some of your club members may choose to use printed materials. As VPE, it is your responsibility to verify project, level and path completions for members using print materials. The members using printed materials will need the VPE to print certificates for them as well.

Includes [Validating Project and Level Completion \(Paths in Print\)](#) and [Printing Certificates \(Paths in Print\)](#).

### Projects Outside Our Club

Many of your club members fulfill project requirements outside the club. In order to do so, they must submit a request for external training. When a request is submitted, you will receive emails from Base Camp notifying you and you will need to approve or deny the request.

After the member has completed their external training, they will submit a completion request. You will receive an email notifying you of the request and will approve or deny the completion request.

Includes [Responding to Initial External Training Requests](#) and [Responding to External Training Completion Requests](#).

## Tracking Progress

Once your members have been working in Pathways for many months, some of them complete paths and being new ones. There are four Dashboards which help you to understand where your club members are and how you can best support them.

Includes [Individual Progress Dashboard](#), [Path Progress Dashboard](#), [Path Type Dashboard](#), [Recently Selected Paths Dashboard](#) and [External Training Dashboard](#).

## Validating Project and Level Completion (Paths in Print)

For members working on a print path, validate each project as it is completed. When all projects in the level are complete, validate the level.

Begin by searching for the member by typing their name in the Search box. Select the appropriate member.

Select the Transcript tab in the member's Base Camp profile.

# Validating Project and Level Completion (Paths in Print)

On the Education Transcript, select the Open Curriculum button next to the path.

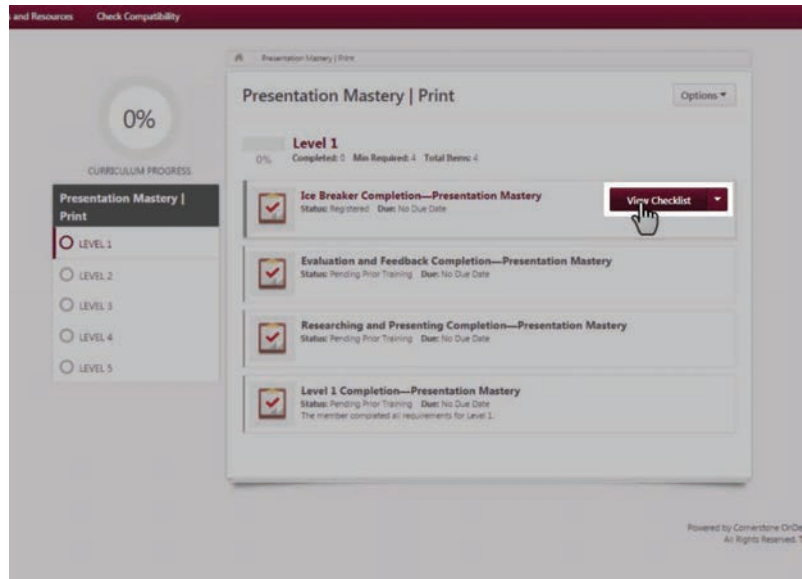

In this example, the member has completed the Ice Breaker in Level 1, and you need to validate the completion. Select the View Details button to the right of Level 1.

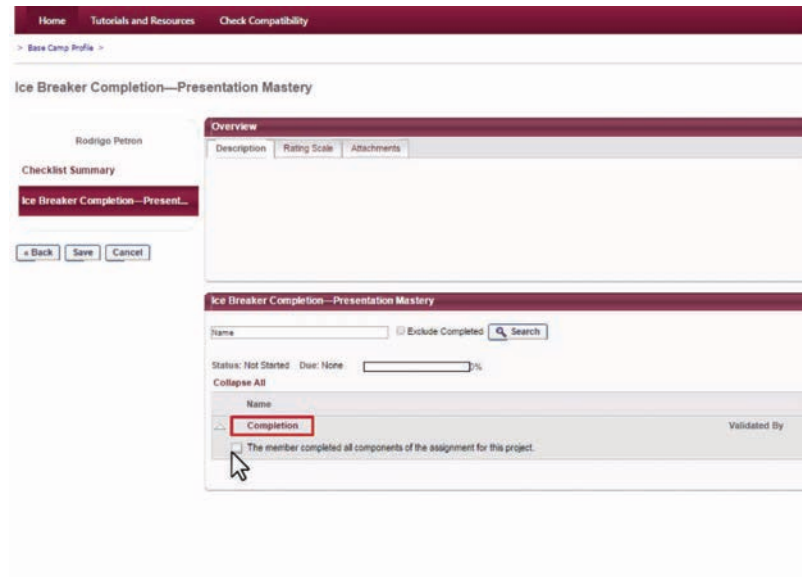

# Validating Project and Level Completion (Paths in Print)

Now you are viewing the projects in Level 1.

Select the View Checklist button next to the Ice Breaker.

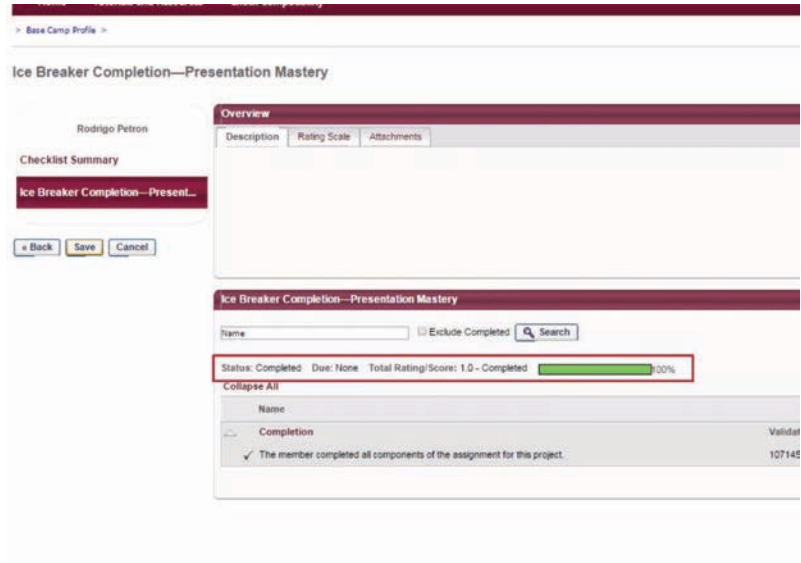

The checklist will open. Check the box under the Completion heading. Select the Save button on the left to save it as complete.

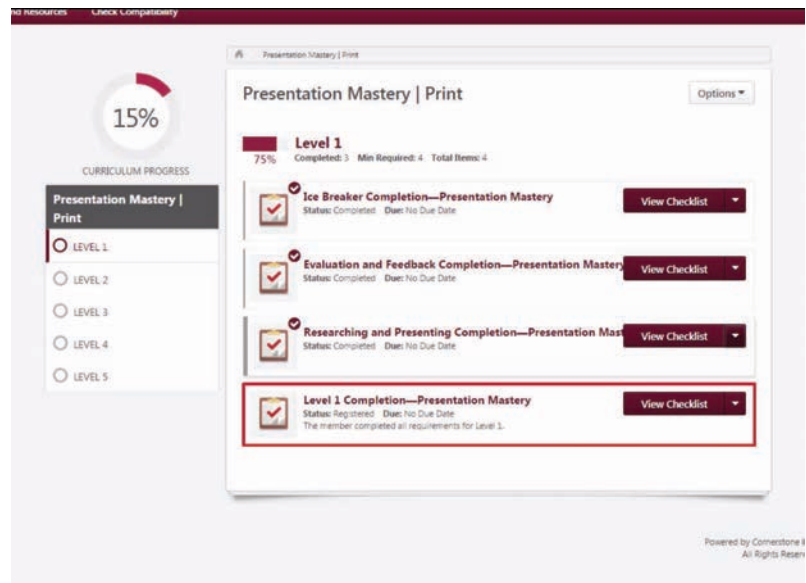

# Validating Project and Level Completion (Paths in Print)

The page will reload and show the project as Completed.

Once all the required projects are validated, you will be able to validate the Level 1 Completion—Presentation Mastery checklist.

## Validating Project and Level Completion (Paths in Print)

For level completion validation, select the check box under the Level 1 Completion heading on this page. Then select the Save button on the left.

The screenshot shows a web application interface for validating level completion. At the top, there is a navigation bar with links for Home, Tutorials and Resources, and Check Compatibility. Below this, a breadcrumb trail shows the user is in the Base Camp Profile section. The main heading is "Level 1 Completion—Presentation Mastery".

On the left side, the user's name "Rodrigo Petron" is displayed. Below it is a "Checklist Summary" section with a red button labeled "Level 1 Completion—Presentatio...". At the bottom of this section are three buttons: "Back", "Save", and "Cancel".

The main content area is divided into two sections. The top section is titled "Overview" and has three tabs: "Description", "Rating Scale", and "Attachments". The "Description" tab is active, showing the text "The member completed all requirements for Level 1." Below this is a "Level 1 Completion—Presentation Mastery" section. It features a search bar with a "Search" button and an "Exclude Completed" checkbox. Below the search bar, there is a "Status: Not Started" and "Due: None" indicator, along with a "Collapse All" button. A table below shows a single entry with a "Name" column containing "Level 1 Completion" (highlighted with a red box) and a "Validated By" column. A mouse cursor is pointing at a checkbox next to the "Level 1 Completion" entry.

## Responding to Initial External Training Requests

On the homepage, select the Pending Requests tile.

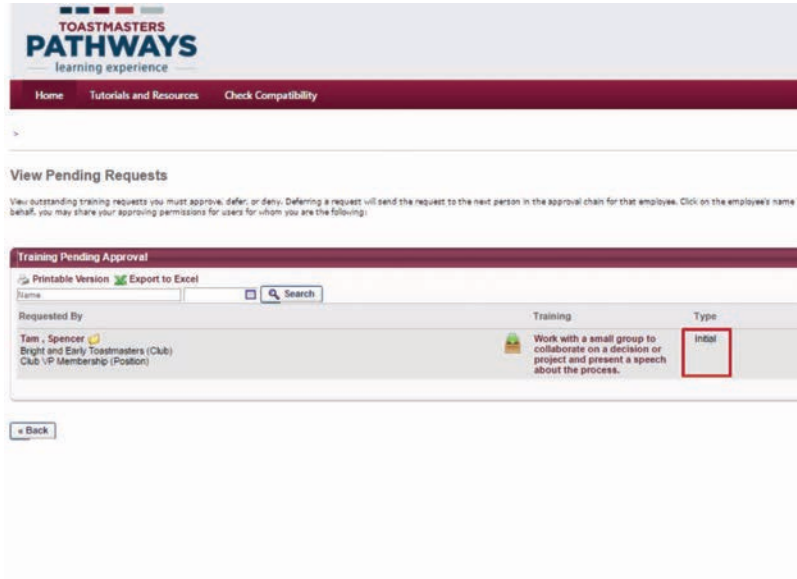

On this page, you can view the External Training Request. Note the icon under the training heading indicates that this is an external training request.

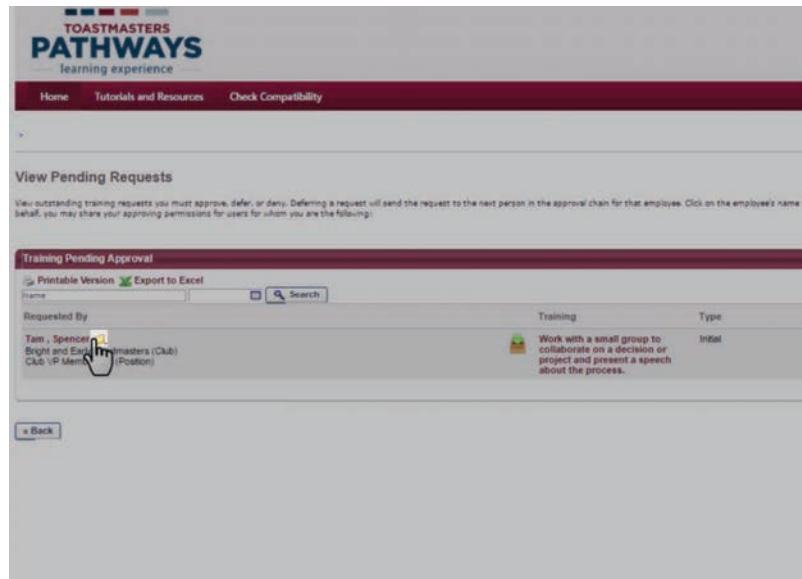

# Responding to Initial External Training Requests

Under Type, it says Initial. That means this is the first step in the external training process and the member needs approval to complete the assignment.

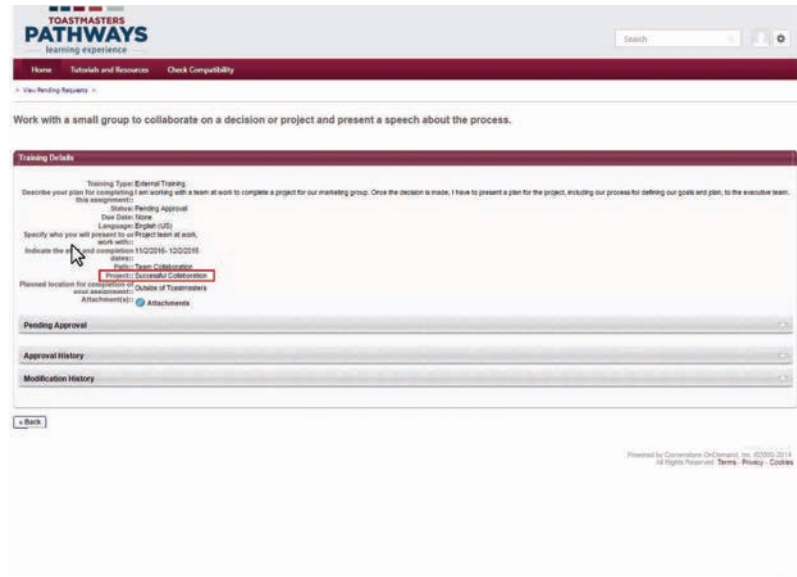

Select the folder next to the member's name to view details about the request.

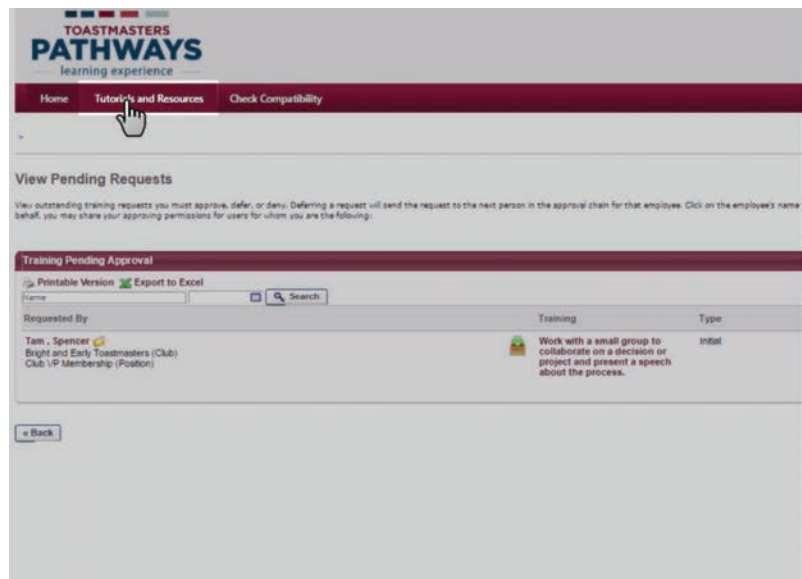

# Responding to Initial External Training Requests

In the Training Details section, review the details of the external training request and decide if it meets the assignment requirements as described in the project description.

Note the project title.

At this point, you will want to review the project requirements and compare it to the proposed external training request. To do so, select Tutorials and Resources on the navigation bar.

# Responding to Initial External Training Requests

On the Tutorials and Resources page, select Project Descriptions under the Subject heading.

Then select your preferred language.

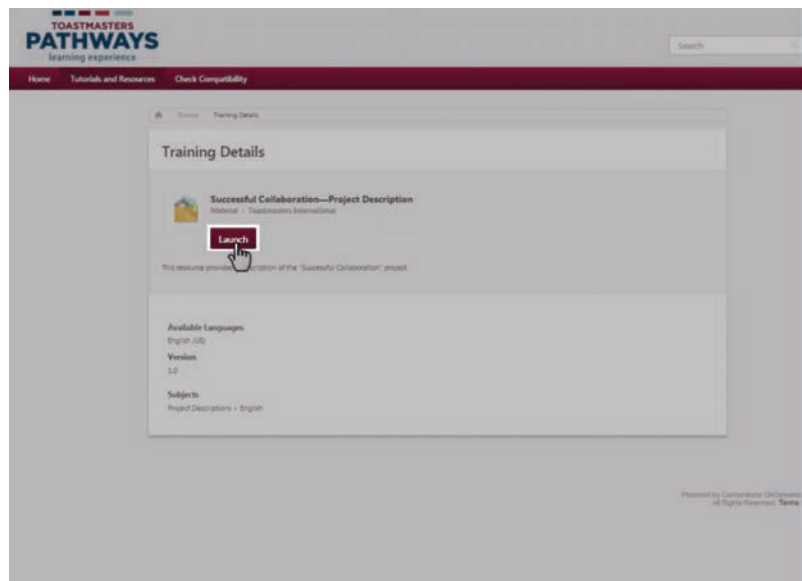

## Responding to Initial External Training Requests

The projects will appear in alphabetical order. Navigate to the correct project and select it.

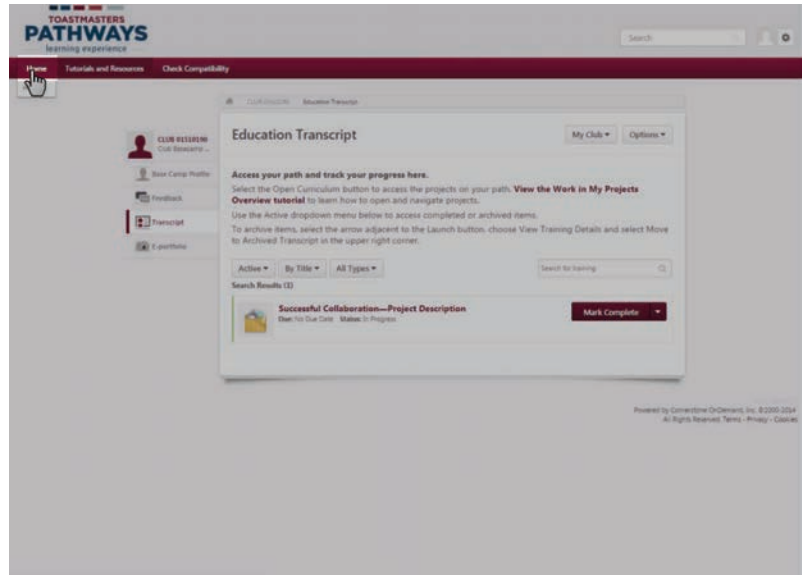

Select the Launch button. The project description will open in PDF form. Proceed to review, save or print the description as necessary.

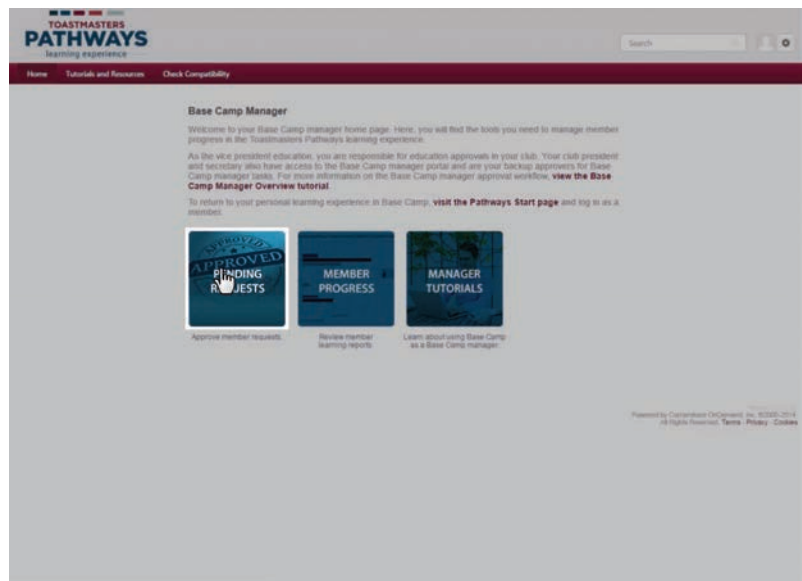

# Responding to Initial External Training Requests

Once you have reviewed the project description, select Home on the navigation bar.

Then select the Pending Requests tile.

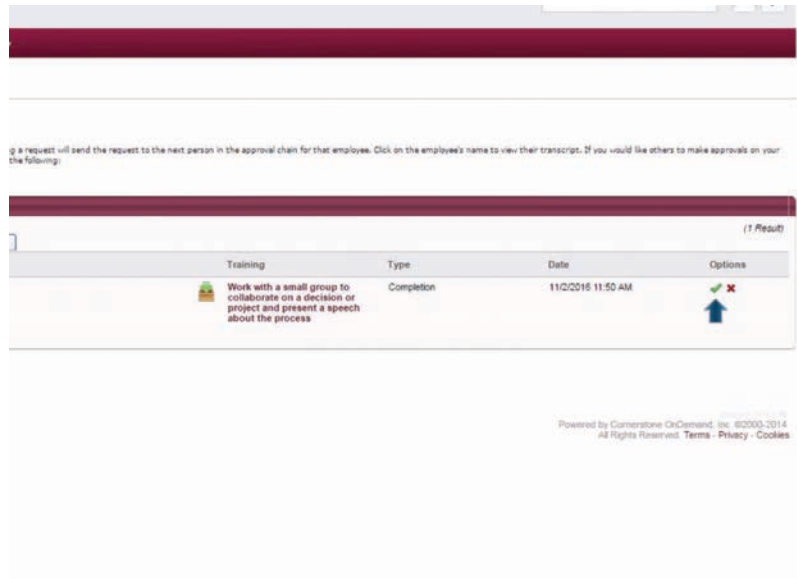

# Responding to Initial External Training Requests

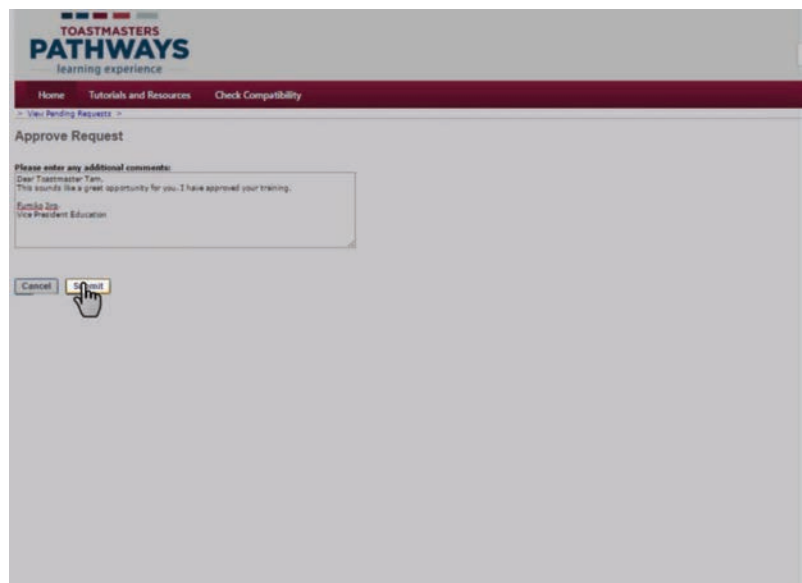

At this point, you can approve or deny the external training request.

To approve the request, select the green check mark.

To deny the request, select the red X.

Enter your name and comments for the member. Then select the Submit button.

## Individual Progress Dashboard

Use the Individual Progress dashboard to review each individual member's progress through their path by level.

Begin by selecting the Member Progress tile from the Base Camp Manager home page.

Select the "1. Individual Progress" tab.

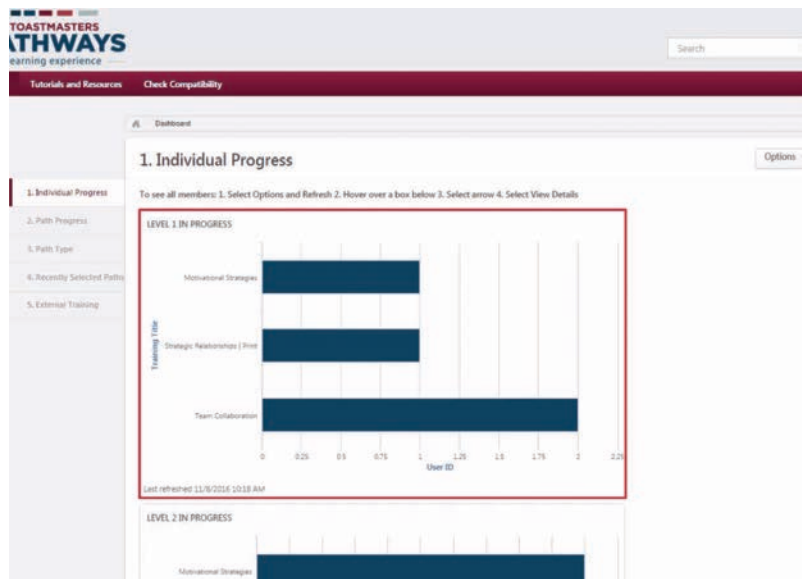

# Individual Progress Dashboard

To ensure you have the most up-to-date information, refresh all graphs. To refresh all graphs, select the Options dropdown menu, then select Refresh. To confirm the refresh is complete, check the “Last refreshed” date and time.

Each graph on the page shows individual member progress by path.

There are five graphs, one for each level.

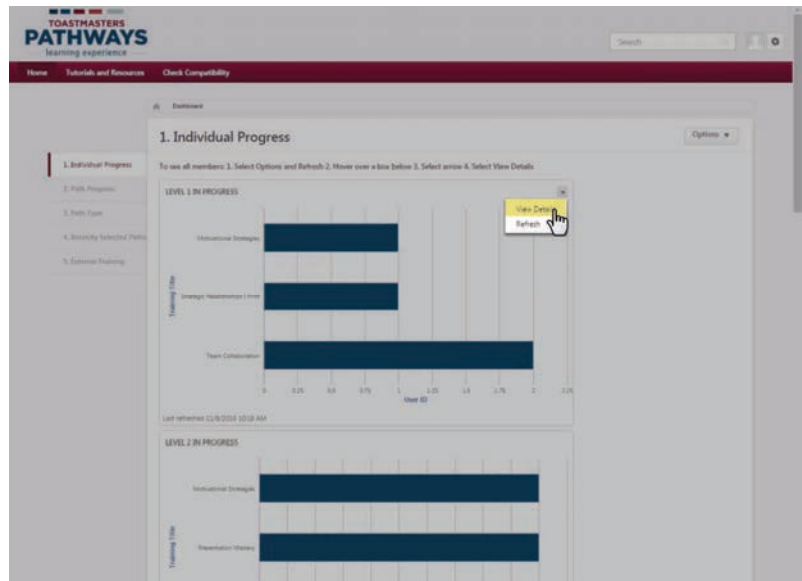

# Individual Progress Dashboard

In this example, there are members working in projects in Levels 1, 2 and 3. The bar indicates the number of members in each path. In Level 1, there is one member in Motivational Strategies, one member in Strategic Relationships | Print and two members in Team Collaboration.

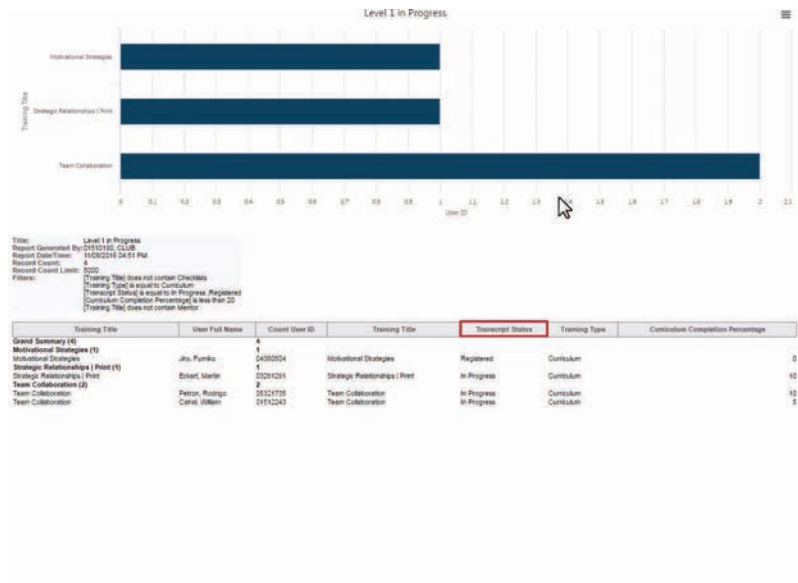

Select View Details to see which members are progressing through the level.

# Individual Progress Dashboard

Under the Transcript Status heading, you will see “Registered” when a member has added the path to their transcript. You will see “In Progress” when a member has launched projects in the path. You will only see “Registered” in Level 1.

You can also see the percentage of the path a member has completed under the Curriculum Completion Percentage heading.

This information is especially helpful when you are determining which education goals your members are working to achieve.

## Path Progress Dashboard

Use the Path Progress dashboard to review the paths that have been selected, are in progress, or have been completed by members in your club.

This information will help you support members connect with others who have completed work on their selected path.

Begin by selecting the Member Progress tile from the Base Camp Manager home page.

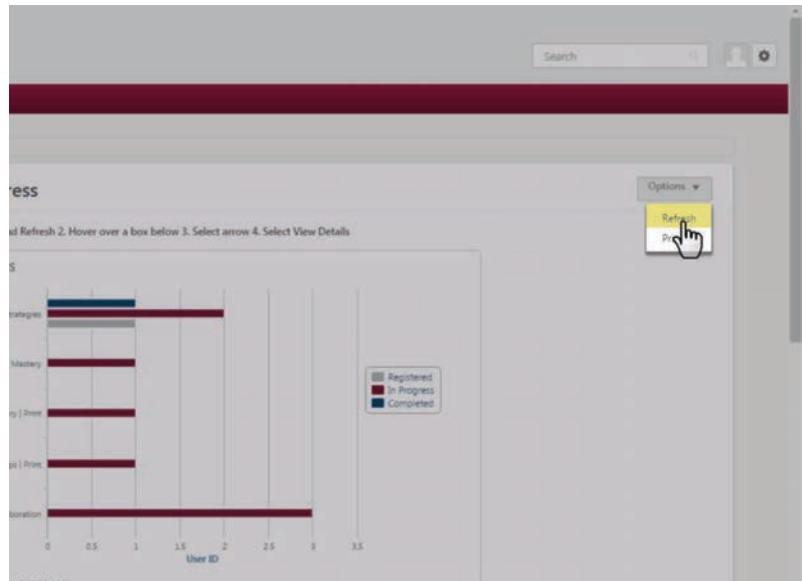

Select the "2. Path Progress" tab.

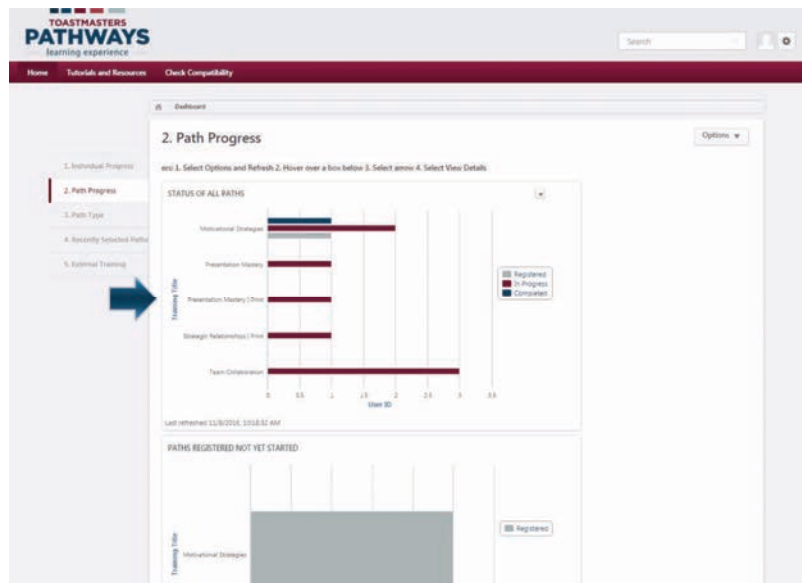

# Path Progress Dashboard

To ensure you have the most up-to-date information, refresh all graphs. To refresh all graphs, select the Options dropdown menu, then select Refresh. To confirm the refresh is complete, check the “Last refreshed” date and time.

The first graph shows an overview of the number of members in each status of each path. The legend indicates the color of the bar for Registered, In Progress and Completed.

The other three graphs on this page highlight one of the statuses from the overview.

# Path Progress Dashboard

The second graph shows the number of members who have registered for a particular path but have not yet begun working on the projects. This graph is especially useful for identifying which members to encourage and to schedule for their Ice Breaker.

To view the member names, hover over the graph. A down arrow will appear in the upper right corner of the graph. Select it, then select View Details.

The third graph shows the number of members in progress in each path. This graph helps you to align members with similar goals.

To view the member names, hover over the graph. A down arrow will appear in the upper right corner of the graph. Select it, then select View Details.

## Path Progress Dashboard

The fourth graph shows the number of members who have completed a path. This graph is great for highlighting major accomplishments of members in the club.

To view the member names, hover over the graph. A down arrow will appear in the upper right corner of the graph. Select it, then select View Details.

# BASE CAMP MANAGER Tutorial Quick Reference Guide

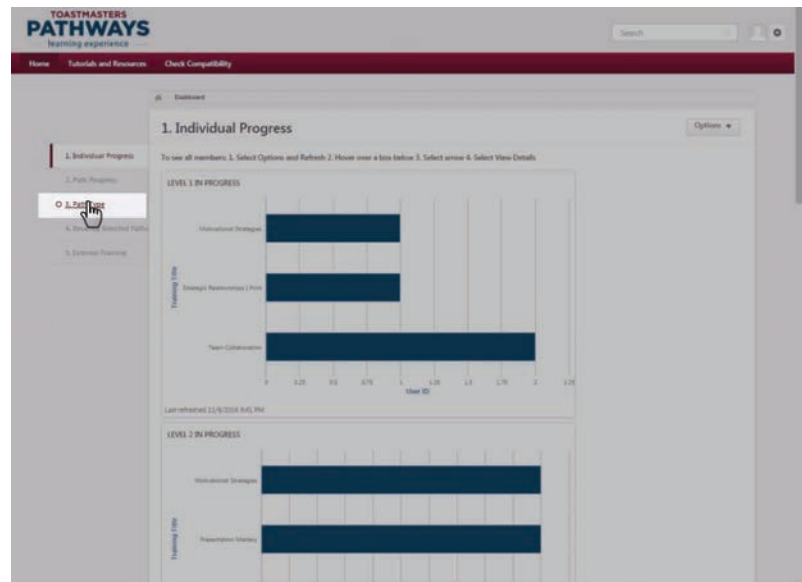

## Path Type Dashboard

Use the Path Type dashboard to review the number of members completing paths on Base Camp versus in printed materials.

Begin by selecting the Member Progress tile from the Base Camp Manager home page.

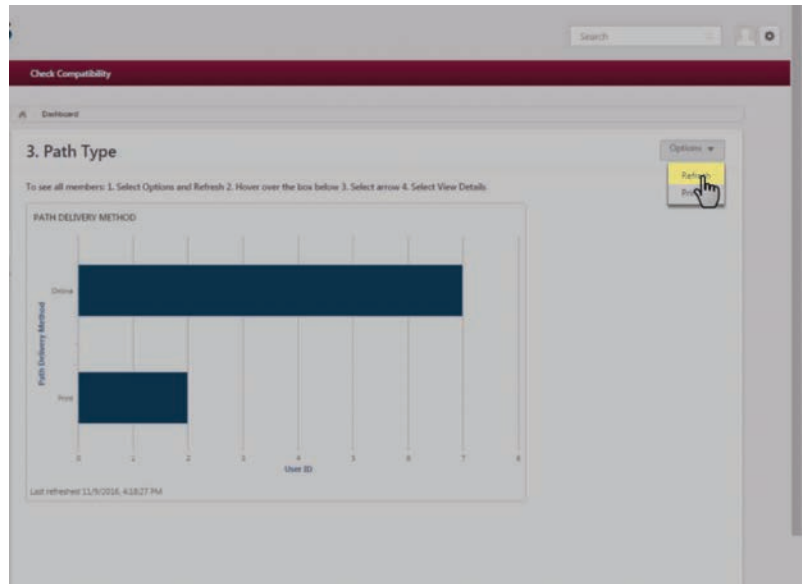

Select the "3. Path Type" tab.

# Path Type Dashboard

To ensure you have the most up-to-date information, refresh all graphs. To refresh all graphs, select the Options dropdown menu, then select Refresh. To confirm the refresh is complete, check the “Last refreshed” date and time.

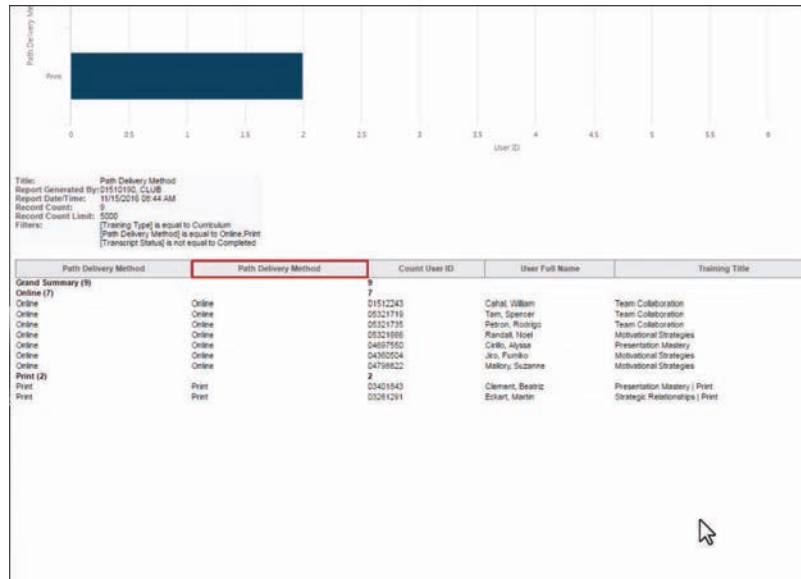

In this example, seven members are completing their paths on Base Camp and two members are completing their paths in printed materials.

Select View Details to see which members are completing their paths on Base Camp or in printed materials.

# Path Type Dashboard

Under the Path Delivery Method heading, you can see which members are completing their path in printed materials. This information is especially useful for identifying members who will require a different type of support. For more information, view the Members in Printed Materials tutorial.

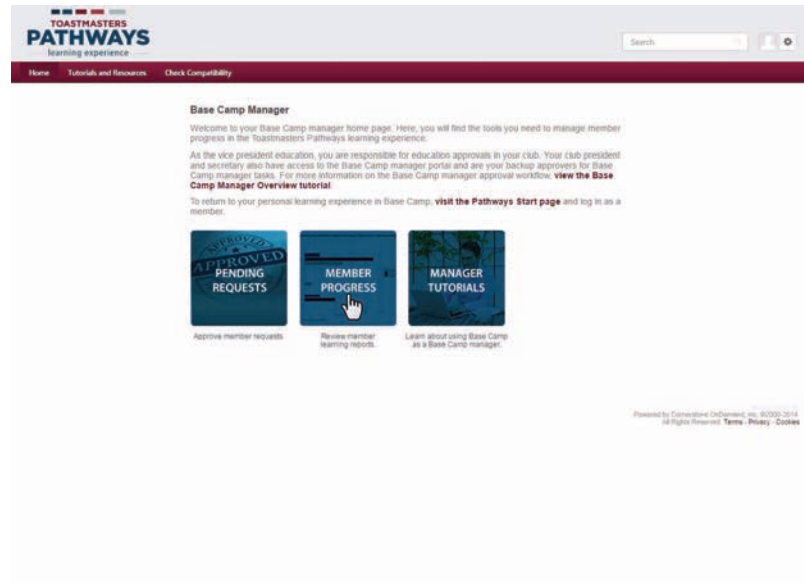

# BASE CAMP MANAGER Tutorial Quick Reference Guide

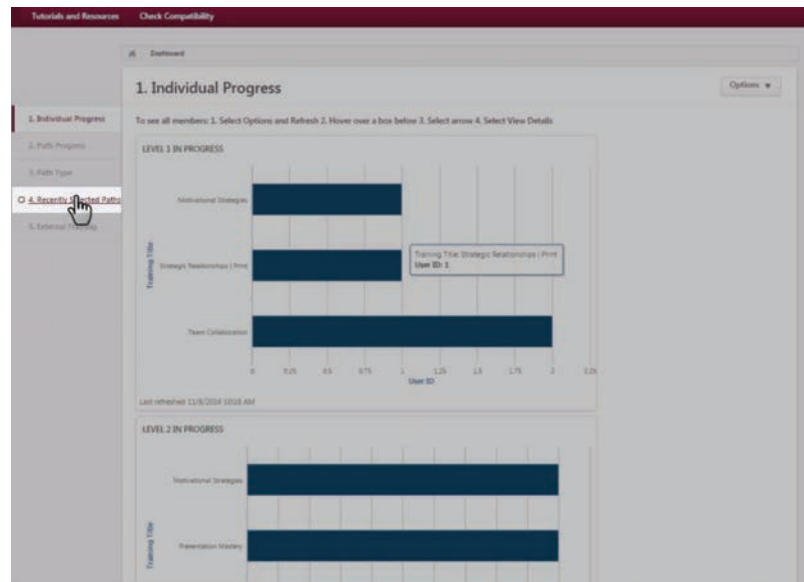

## Recently Selected Paths Dashboard

Use the Recently Selected Paths dashboard to review the paths members of your club have registered for in the last month.

Begin by selecting the Member Progress tile from the Base Camp Manager home page.

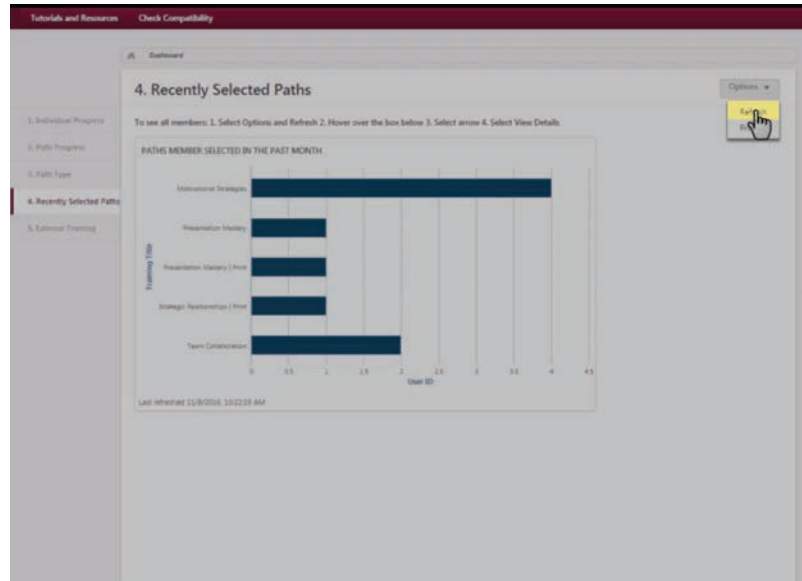

Select the "4. Recently Selected Paths" tab.

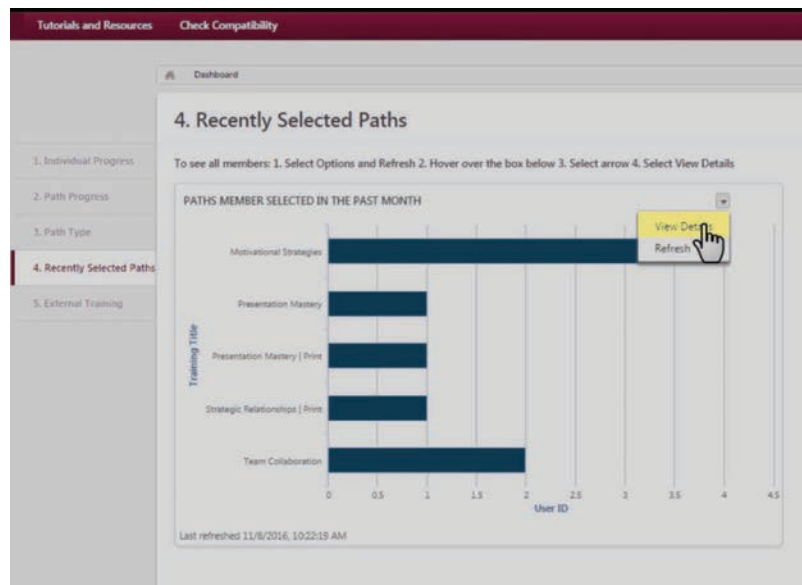

# Recently Selected Paths Dashboard

To ensure you have the most up-to-date information, refresh all graphs. To refresh all graphs, select the Options dropdown menu, then select Refresh. To confirm the refresh is complete, check the “Last refreshed” date and time.

This graph shows that four members have registered for Motivational Strategies, two have registered for Team Collaboration and the remaining three paths have had one member register in each.

Select View Details to see which members have recently begun each path.

# Recently Selected Paths Dashboard

The names of the members who have registered for each path are visible at the bottom of the screen.

This information is especially useful for connecting new members or members starting a new path with other members working in the same path.

# BASE CAMP MANAGER Tutorial Quick Reference Guide

## External Training Dashboard

Use the External Training Dashboard to review members completing an assignment outside your club.

Begin by selecting the Member Progress tile from the Base Camp Manager home page.

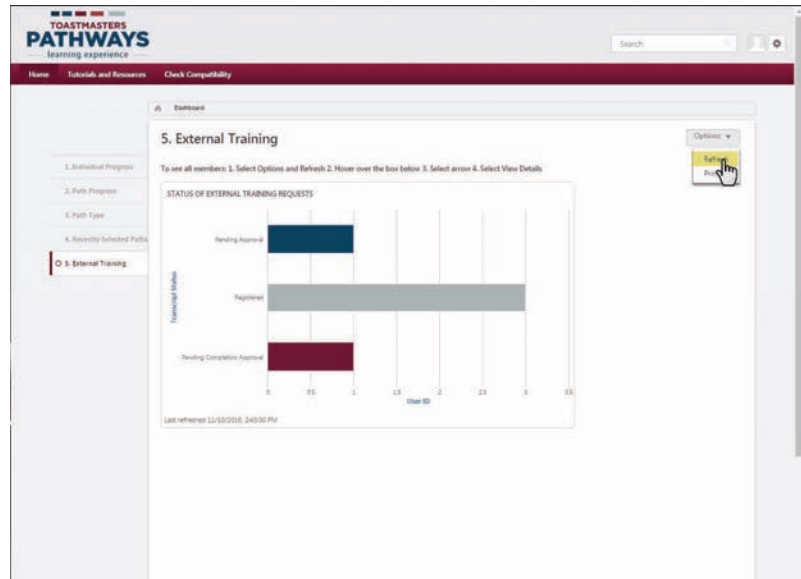

Select the "5. External Training" tab.

# External Training Dashboard

To ensure you have the most up-to-date information, refresh all graphs. To refresh all graphs, select the Options dropdown menu, then select Refresh. To confirm the refresh is complete, check the “Last refreshed” date and time.

In this example, one member has submitted the initial request to complete an assignment outside the club, and is awaiting approval. Three members are registered, which means they have had their request approved but have not yet completed their assignments. One member has completed their assignment and is awaiting approval for credit.

Select View Details to see member names.

# External Training Dashboard

The details page shows the names of members represented on the graph. Under Training Title the brief description of each member's assignment is visible.
