- Key focus on the growth of new Clubs within the NSW and ACT geographic;
- Identify niche areas for new clubs such as special interest, target industries, and new corporations;

- Target suitable clubs to conduct Speechcraft sessions;
- Ensure no member is left behind and has the resources to develop and grow with the TI program.

ABOUT ME...

- I joined Toastmasters in 1997, as a result of a former work colleague who encouraged me to attend in order that I could become more persuasive during our work meetings.
- I have not looked back and have since flourished in both the leadership and communication tracks.
- In recent years I have achieved Division Director of the Year (2021-2022) and been a multiple Distinguished Area Director in various Areas across District 70.
- This year I was the Co-Lead Chair for District 70 Club Officer Training with the number of officers trained restored to pre - covid levels.
