

YOUR FIRST STEP...

When you have signed as a member of a Club, your application form will be sent to Toastmasters International for processing and, shortly afterwards, you will receive confirmation that your application has been approved. Toastmasters International will also provide you with a membership number.

This is the home page for Toastmasters International, the starting point for all activities.

If you click on this icon, at the top of the page, it will bring up the Log in box below:

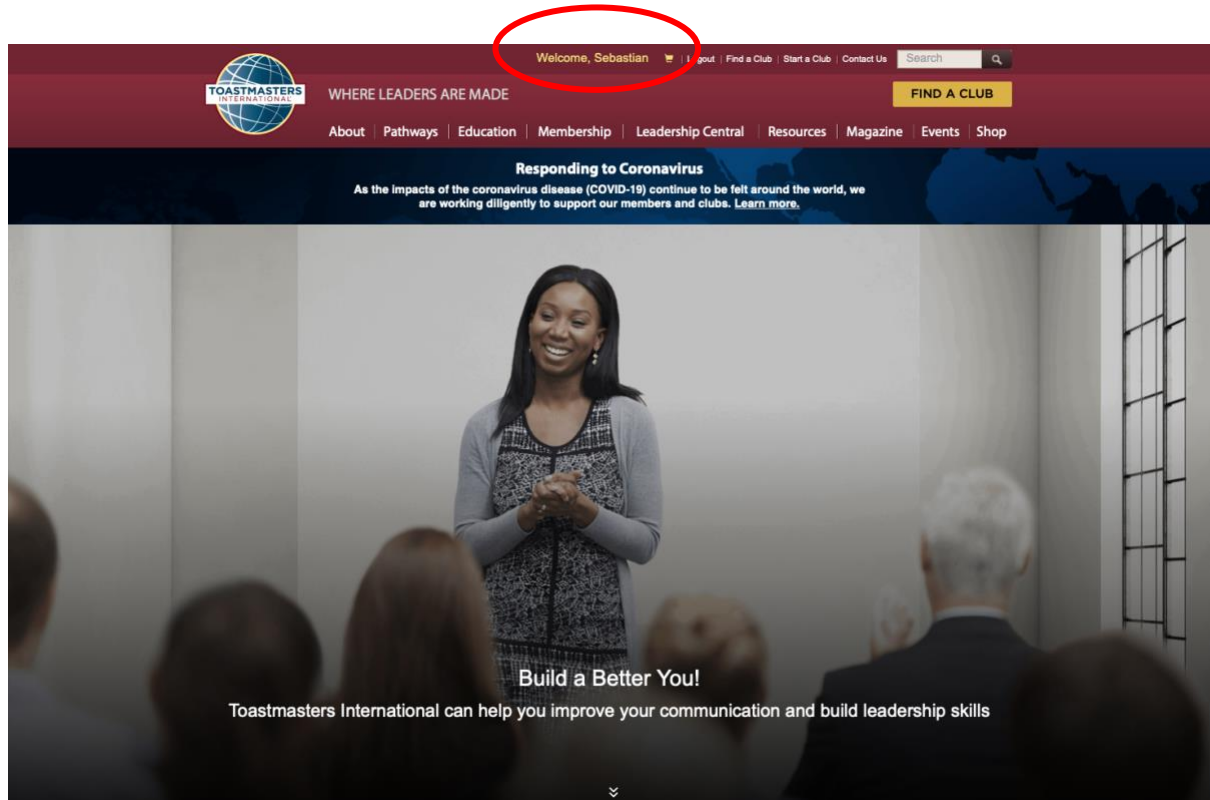

A screenshot of the login form. It has a title "Log In" and two input fields: "Member ID/Email*" with the value "enthusiasticmember@gmail.com" and "Password*" with masked characters "*****". Below the fields is a dark red "Log In" button. At the bottom, there is a link for "Forgot password?" and a note: "Toastmasters members logging in for the first time please use 'Forgot password?'". At the very bottom, there is a link: "Don't have an account? [Join a club](#)".

You can login, using either your membership number or the email address you provided on your membership application form.

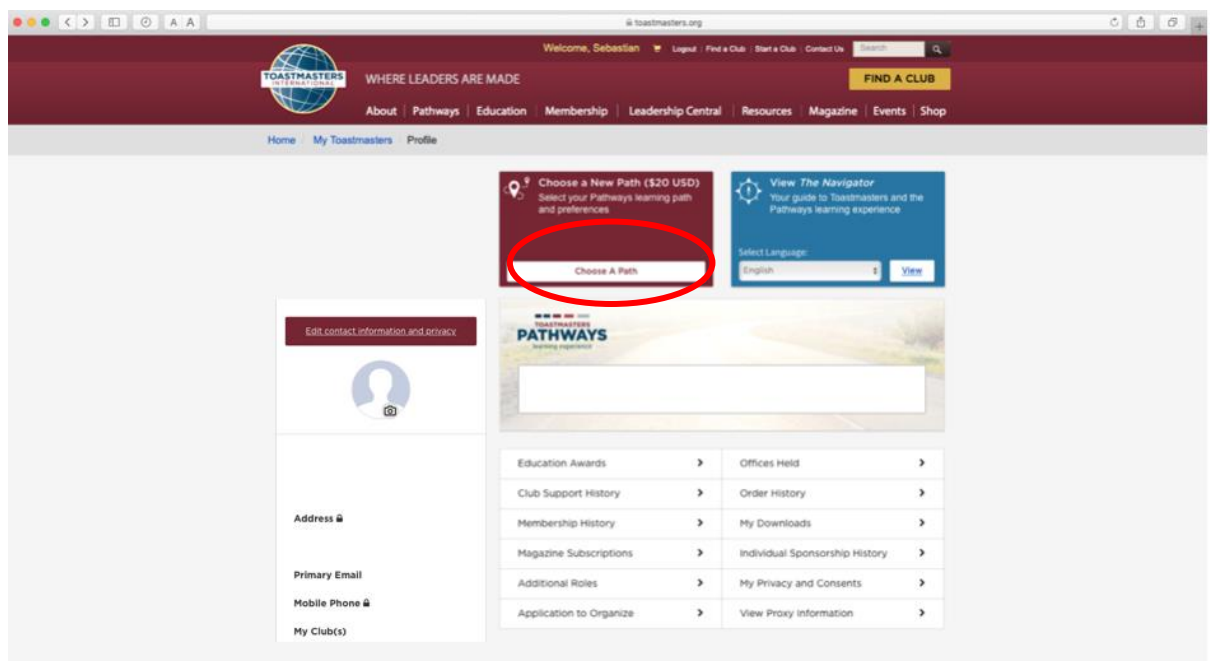

First time and don't have a password? Click on "Forgot password" and you will receive one very shortly by email. Once you receive it, you are ready to continue.

One other thing to remember; when you log in to Pathways for the first time, check your computer's compatibility to access Pathways and ensure that pop up screens are not blocked.

When you have logged in, the next page will come up, showing your first name, in yellow, next to the word "Welcome".

Click on your name and a new page will open for you...

What happens next?

The next thing you must do is choose your Path; click on the “Choose a Path” box; this will open a new page...

Here you must choose whether you would like a digital Path (accessible online) or printed materials (which will be mailed to you).

We suggest you select ‘digital’ resources since, by selecting this option, you will have access to videos, interactive activities and quizzes, a variety of elective projects and printable versions of every project; all of these will not be available if you choose printed materials.

Digital Resources

If you decide to go digital, click on “Select Digital Resources” and a new page will open inviting you to view all Paths available, so you can make your choice or take an online assessment and let the system show you which Paths are more suitable for you, based on your answers...
