WHERE LEADERS ARE MADE

District 70 2024-25 Vision

In our journey to regain strength and indeed to grow the District, our focus is to ensure an **excellent club and member experience**, with a guiding hand from both **experienced and emerging leaders**. At the heart of our revival is a **commitment to ensure that every member's journey to success** is supported by excellent programs and training, leadership, and mentorship.

We champion **open communication and collaboration**, fostering an environment where **every voice contributes to our collective growth**.

By embracing our cherished traditions alongside innovative practices, we are **building a stronger, more connected community** that thrives together.

About Dani Streets

From a very young age, I've had a love of language, an optimistic outlook, and an unwavering belief that anything is possible. I thrive on building community, tackling challenges with a solutions-focused mindset, all the while having fun along the way.

When I was searching for solutions to overcome challenges I was having with job interviews in 2017, I stumbled across Toastmasters and found my community. From that moment, I've had incredible, life changing opportunities, both personally and professionally. I've also had the privilege of watching and supporting similar growth journeys for many others during these seven years.

The year 2024-2025 is time for me to give back to you and your club. My unique combination of skills and experiences are optimised to lead a District team whose focus is supporting the current needs of you as District 70 members and clubs to usher in the next phase of your success.

It's going to take input from our whole community. I hope you'll join me as we work together to ensure that countless future Toastmasters may experience the incredible opportunities Toastmasters has to offer for decades to come. Please reach out if you have questions, suggestions, and want to get involved!
