

Mike Kano-McCallum

Candidate, District Director, District 70

Candidate Statement – Why do you want to serve as District Director

To serve, because together we achieve. I want to give back to this wonderful District.

To support the District at this critical time as we support our clubs to rebuild their membership, look to new opportunities for new clubs, and support all clubs to achieve excellence especially in Pathways and leadership development.

I love the opportunity to develop and motivate teams, and to support Toastmasters to transform lives.

Candidate Statement – What are the District mission’s major objectives and how would you work to achieve them

Membership Growth - boosting membership (through building campaigns, external PR, club reward programs).

Club Growth - new clubs, through corporate leads, new industry targets (law firms), targeting new community areas - where we had lost clubs during Covid (e.g. Newtown, Erskineville, Pymont).

DCP Improvement - through Pathways incentives and effective COT.

Excellence – Leadership development - support leadership mentoring, seek to make District leadership more visible and more approachable.

Capacity building - Build successful teams at District level, larger numbers of District staff officers, more members willing to volunteer, including as Area Directors.

Candidate Statement – Additional information about yourself

Dynamic, self-starter, team and community builder.

Dedicated and proven leader who cares deeply about Toastmasters, and about making a difference for our members.

Mike Kano-McCallum – Application for District Director – District 70 – 2024-2025

All records as at 28 February 2024
